RESIDENTIAL ADVENTURE TRIPS FOR YEAR 5

SCHOOL TRIP ORGANISERS WITH A DIFFERENCE

OVER 85% OF CHILDREN REPORT FEELING HAPPIER AFTER BEING IN NATURE

Natural England (2021) The Children's People
And Nature Survey For England

BACK TO THE BEAUTIFUL BASICS

At Rootd, we see first-hand the positive impact nature and outdoor adventure can have on a child's well-being and development, and we think it's something every child should have the chance to experience. But this doesn't just mean conquering the high ropes and scaling walls, it means going back to basics – building shelters, lighting campfire and exploring the natural environment.

A SCHOOL TRIP ORGANISER WITH A DIFFERENCE

We've been working with schools delivering outdoor adventures for over 12 years, so we know what gets children motivated and how to get the best out of them.

Many schools come to us for their school residential trips after previous experiences using big trips providers. Often these can feel impersonal rushed and crowded. At Rootd things are very different. We work together to ensure that every child is seen and heard during their time with us. We want them to come away feeling strong, resilient, and empowered, having had the time of their lives.

And of course, keeping children safe as they explore the outdoors is paramount so with our experience comes an expert understanding of where to draw the line between safety and adventure.

WHEN IT COMES TO SCHOOL TRIPS WE MAKE IT PERSONAL

**DESIGN THE
IDEAL TRIP**

From the moment you book your trip, we make sure we get to know you and your students. We then design the ideal trip for you, incorporating activities that we know will bring out the best in your students.

Children and teachers always come first, and as the only group with us, we can respond to your energy and adapt as we go, making sure students are fully engaged and making the most of their trip.

With Rootd, you'll find the perfect school trip personalized for you, all within an hour of central London.

WELCOME TO PHASELS WOOD

MEET OUR INSPIRATIONAL TEAM

BEAUTIFUL HUMANS, INSIDE AND OUT

Here at Rootd we believe our team should not only be superbly trained and professional. They should also be fun, passionate, and fantastic role models, inspiring future generations to grow into resilient, inquisitive individuals that care for each other and the planet.

“Activities, Food and Staff were brilliant. Everyone is incredibly kind, calm and passionate about what they do. So knowledgeable in all subject areas and taught us so much. Beautiful Humans, inside and out. 10 out of 10 from us.”

THE ADVENTURE STARTS WITH OUR ACCOMMODATION

Groups love where they stay on a Rootd Residential! In the warmer months, they get the real camping experience in our spacious bell tents complete with bunk beds, chill out spaces, games and teacher areas. Our woodland pods, decorated with nature murals and dedicated indoor spaces are perfect for getting cosy after a busy day in the outdoors.

**HIGHLY RECOMMEND
ROOTD FOR ANY
OUTDOOR ADVENTURE!**

“The staff were not only knowledgeable but knew exactly how to engage with the children. Their ability to connect and create a fun, educational environment made the experience unforgettable for everyone.”

TRIPS TO SUIT EVERY OBJECTIVE AND BUDGET

We believe every child should have the chance to experience outdoor adventures, so we want to make our residential trips accessible to as many children as possible. From one night nature or adventure trips to two-night stays, we've got the perfect option.

A NATURE-BASED NIGHT AWAY

A one-night adventure trip with a forest focus, this is the perfect introduction to being away from home. Children explore the outdoors, learn new skills and develop their knowledge of British wildlife, before playing evening games and settling into their cosy overnight accommodation.

AN ADVENTURE-BASED NIGHT AWAY

On this one-night adrenaline-filled residential, children take part in a range of outdoor activities, such as archery, high ropes and our Wild Survivor Bushcraft session, before enjoying evening games and snuggling down in their accommodation.

A TWO-NIGHT ADVENTURE

Students experience the very best of the outdoors through a combination of Wild Survivor and Wild Explorer sessions, adventure activities and an exciting team challenge. The extra night allows for more evening games, as well as double the hot chocolate!

BUSHCRAFT TRIPS

A choice of one, two or three-night trips and flexible accommodation options. Students learn essential survival skills such as fire-making, shelter-building, and foraging fosters teamwork and problem-solving skills.

ACTIVITIES

TIME TO SHINE

Every child should leave a Rootd Residential with a real sense of achievement, feeling braver and more confident than before. Our activities are designed to connect them with nature, get involved, have adventures, learn bushcraft skills, have the freedom to explore, have fun and create lasting memories together.

TAKE YOUR BUSHCRAFT SKILLS TO THE NEXT LEVEL

MORE THAN JUST OUTDOOR SURVIVAL

A Rootd Bushcraft trip is about thriving and forming a deeper connection with nature, combining outdoor education with personal development.

Unplugged from screens and away from the distractions of technology and the classroom, students are encouraged to step outside their comfort zones, promoting resilience and self-confidence. Learning essential survival skills such as fire-making, shelter building, knife skills, and outdoor cooking methods fosters teamwork and problem solving skills.

Introducing children to the wonders of the natural world through activities like foraging, learning to recognise animal tracks, and navigating by natural signs like the stars or sun leads to a deeper appreciation for nature and the environment.

YEAR-ROUND BUSHCRAFT TRIPS

With a choice of 1-3 night trips and flexible accommodation options, you can join us on a bushcraft residential trip whatever the budget or time of year. Our bell tents are a popular choice in the warmer months and our woodland pods provide cosy accommodation, all with sheltered outdoor areas and indoor eating spaces.

A TYPICAL DAY ON YOUR YEAR 5 ROOTD RESIDENTIAL

**THE BEST RESIDENTIAL
PROVIDER WE HAVE EVER USED!**

For our London based Year 6 children
it was so amazing to see them
interacting with nature throughout
their stay, learning about animals,
plants and bushcraft as well as
experiencing things like abseiling,
high ropes and much more! Watching
them experience these things – which
for some is a once in a lifetime
opportunity – has been amazing!

Year 6 Teacher, Hackney New Primary

Breakfast	Cereal selection, toast, yoghurt, pastries + fruit juice.
Adventure activities	<p>Go for gold in archery before feeling the adrenaline as you reach new heights and work as a team in either crate stacking or abseiling.</p> <p>Explore our underground tunnels for a real sense of achievement before combining rope skills with team work to build the ultimate buggy.</p>
Lunch	Picnic in the woods.
Explorer and Survivor Bushcraft	<p>Work together to build the your ideal woodland shelter using materials found within the woodland. Learn how to safely use a fire-steel and build the perfect campfire to roast marshmallows.</p> <p>Explore the woodland, learning about Plants & Trees, Insects and Vertebrates with interactive games and activities. Finish by putting your new-found plant knowledge to the test with our fun foraging session!</p>
Dinner	Chicken or vegetable curry with rice, and our chef's famous chocolate brownie !
Evening activity	Cheer your friends on as you whizz down the Cresta Toboggan Run !
Campfire	The perfect end to the day, sing along to the songs around the campfire , before winding down with a cup of hot chocolate .

THE FUN OF A ROOTD RESIDENTIAL ALL YEAR ROUND

We love swapping looking down at phones for looking up to the starry sky at night, going on night-time walks, and enjoying hot chocolate around the campfire. Before getting cosy in our fully equipped, warm pods and woodland lodges. All of which is made more magical during the autumn and winter months when the days are shorter and the nights inviting.

And importantly for schools and parents, trips in the Autumn term are more affordable, offering a trip for everyone's budget, and getting more pupils involved and loving the outdoors!
