

# ADVENTURERS

**Teamwork and Collaboration**

**Problem Solving**

## Problem Solve

### Team Quest

Work as a team to solve a sequence of tests and challenges. Only the most determined will be victorious!

## Conquer

### Abseiling

Boost your confidence as you descend the abseiling wall in this exciting & challenging activity.

### Crate-Stack Challenge

Communication and problem-solving skills are 'stacked' together in this fun activity to build and climb the highest tower.

### Climb and Conquer

Develop your confidence and trust as you work out the best route up our outdoor climbing wall.

### High Ropes

Feel the adrenaline as you reach new heights by conquering the vertical obstacle course.

## Support

### Brave the Cave

Face your fears while experiencing the thrill of potholing in a safe environment and exploring like never before!

### Buggy Build

Combine rope skills with teamwork to build the ultimate buggy and win the race against your friends.

### Nightline

Fancy being an Arctic explorer? Put your trust in your partner as they guide you around the obstacle course... blindfolded!

**Groups will pick one activity from each category.**
