

## EXAMPLE PROGRAMME

# 1 NIGHT NATURE

### DAY ONE

**AM ARRIVAL**

A very warm welcome and a chance to settle into our cosy accommodation.

**WOODLAND WELCOME**

A fun nature trail to navigate around the woods, collecting woodland items along the way before combining them with your creativity to create a wonderful woodland mascot.

**PM SHELTER BUILDING**

Work together to build the ultimate woodland shelter by combining materials found within the woodland with newfound knot skills.

**FIRE LIGHTING & MARSHMALLOWS**

Explore the uses of fire, the science behind heat production and the principles of the fire triangle, before learning how to safely use a fire-steel and perfect the art of marshmallow roasting!

**CAMPFIRE**

Channel the energy, creativity and inspiration generated by your time outdoors to share your hidden talents and sing together under the stars.

### DAY TWO

**AM TERRIFIC TREES**

Learn how to identify our woodland trees, discover their unique uses and hear the myths and legends surrounding each species.

**MINIBEAST MADNESS**

Collect and identify our tiniest woodland inhabitants, working together to find the most interesting bugs to win the fun game of Bug Trumps! Then, combine natural materials gathered from the woodland with your imagination to build a fun and exciting home for your chosen minibeast friend.

**PM LUNCH & DEPARTURE**

Picnic in the woods before heading back to school.
